TAG DAYS

Tag Days

We had a hugely successful Tag Day fundraiser! We raised over \$6,000 last weekend! This is far more than I had planned on! Thank you to all of the students and parents who helped to make this a success!

CHAPERONING

Chaperoning Competitions

It is time to sign up to chaperone competitions! If you are interested, duties include riding on the bus, helping the students get ready for the competitions and being there after their performance to help get them back on the busses. Chaperones do not need tickets to the shows. **Fill out the attached form if you are interested (DUE FRIDAY). Please remember that chaperones are chosen based on availability with some preference given to parents of upperclassmen.** I will contact you via phone or email regarding the weeks I will need you. Thanks! 😊
