FALL

SCHEDULE

PIE SALE

Fall is here!

Welcome to the fall season! We have now begun our practices at Jefferson and in just a few short days we will be participating in our first competition! Before we know it we will be on our way to championships! The time will fly so let's make sure to get every minute out of our rehearsals so we can produce the very best show possible!

A Note on the Fall Season - AGAIN!

As we enter into the fall season the staff would like to remind everyone that things will now begin to get VERY HARD for our kids and families. With school starting they will now have to manage homework, teacher expectations and outside influences from other peers. We have had such a productive summer and certainly don't want to move backwards now! Please do everything you can to ensure your child is managing their time and mental/physical health appropriately!

REMEMBER - IF YOUR CHILD IS IN SCHOOL THEY ARE EXPECTED TO BE AT PRACTICE.
