FOOTBALL GAME EXPECTATIONS

Football game performances are treated like all other performances. We expect nothing but the students’ best. Students must be prepared with all uniform and equipment items. Read the Band Notes each week to determine the schedule and what is expected for each game.

Don’t forget, students are expected to follow our Code of Conduct at ALL TIMES. This includes both during performances and during “off” time (Q3 and after the game).

For the most part, the Marching Band functions at a much higher level than typical high school students. Let’s not forget all we’ve worked toward this season, no matter our surroundings!

Labor Day Pie Sale – Sunday!

We will hold our annual Labor Day Pie Sale on Sunday, September 2 at Bergman Park! Each family is responsible for providing **2 pies**. You can drop them off that morning at our table at 11AM or at one of the drop off locations the night before. When you arrive at the festival to drop off pies around 11AM tell the parking attendants that is what you are doing. They should let you in without charging the parking fee. Community Instrument Drive – September 8

You may have seen some recent publicity about a Community Instrument Drive sponsored by the JPS Promise Fund. The goal of this drive is to obtain used instruments and/or monetary donations that can be used to help the JPS music department. We will hold the drive on Saturday, September 8 during our Tag Day weekend. The drive will run from 10AM – 4PM at JHS. Please help spread the word!

Candy Bars

Our candy bar fundraiser did not go very well this year. I received mostly negative feedback from families trying to sell the \$2 bars. I will look for other options for next year. In the meantime, we have LOTS of candy boxes left to sell. If you have a place you can put a box so we can get rid of some of the candy please let me know!! We certainly cannot afford to lose money on this! Thanks for your help!
