Thank You

To the parents and guardians of these amazing young ladies and gentlemen – THANK YOU. Thank you for your continued support of the kids in this crazy thing we call Marching Band. Thank you for dropping them off and picking them up at all hours of the day and night. Thank you for making the extra trips to bring them the things they forgot. Thank you for the financial sacrifices you have made to allow them to participate. Thank you for volunteering in the concession stand and at Fall Festival. Thank you for giving rides to others when necessary so all students could participate fully. Thank you for encouraging them when they felt they couldn't handle it.

Thank you for showing them that you support what they love so much.

To the students – this has been an incredible year. From the 8th grade student struggling to arrive on time to the 5th year senior who knows the routine better than anyone, we all worked together toward a common goal. This group is a special one. Thank you for rehearsing so well (most of the time!) and for trusting in your staff. We all do this for YOU and YOU have made it great! YOU are great!

EYES WITH PRIDE!
