Thank You!

To the parents and guardians of these amazing young ladies and gentlemen – THANK YOU. Thank you for your continued support of the kids in this crazy thing we call Marching Band. This year, more than ever, we have relied on your support. Thank you for dropping them off and picking them up at all hours of the day and night. Thank you for making the extra trips to bring them the things they forgot. Thank you for the financial sacrifices you have made to allow them to participate. Thank you for volunteering in the concession stand and at Fall Festival. Thank you for giving rides to others when necessary so all students could participate fully. Thank you for encouraging them when they felt they couldn't handle it.

Thank you for showing them that you support what they love so much.

To the students – this has been an incredible year. From the beginning we knew it would be a different kind of year, but we all worked together toward a common goal. This group is a special one. Thank you for rehearsing so well (most of the time!) and for trusting in your staff. We all do this for YOU and YOU have made it great! YOU are great! Make sure to remember these days and keep them with you forever!

EYES WITH PRIDE!

STAY HEALTHY, EVERYONE!

If you plan on going to Championships, either on your own or on the spectator bus, please make every effort to sit in the section outlined below! Having a supportive crowd in the stands is great, but having them sit together makes the cheering even more powerful.
