Fall Fest a Success!

We did it! Fall Festival was a HUGE success! We had record-breaking numbers in all areas! THANK YOU to every person who helped that day! We truly could not hold this event without your help. As I said in our meetings this year, this is a group effort and you all came together to make sure this happened for the kids!

STUDENTS - What a great day! The staff said this to you already, but your attitude and work ethic from the first minute of practice made it so we had a successful performance. Congratulations!

Now let's get to work again!
