Home Show

THANK YOU so much to everyone who volunteered in some way to help us make our home show run smoothly! A huge thank you to Kathy Rossey, who was our chair of the whole day and put in so much work to help the show be successful. Also, thank you to Brian Rossey and Chris and Laurie Wilkins, who were there to help Kathy with whatever she needed along the way and helped with set up/take down. Thank you to Sarah Sherwood for being the concessions chair, which is a huge responsibility. I appreciate every single person who helped out in any way for Saturday, it warms my heart to see everyone come together for the benefit of the members!!

Both guards had AWESOME performances!!! We are so proud of all of the hard work they have put in this season, it is really paying off in their confidence and performance quality! We can't believe this season is almost over!

Express-Dayton

I am sure that many families are waiting for more information about Dayton. Unfortunately, we can't plan too much until schedules are released. WGI should be putting schedules and performance site information as well as practice info out this week, so I should have a plan ready for next week!!

Please join us for a Dayton Parent Meeting on Thursday, April 2nd at 8:15 at Persell to get more information.
